ABOUT US

BEYOND YOUR EXPECTATIONS

Target Trading & Contracting W.L.L. is the Qatar supplier behind every panel in this collection. We source decorative boards from leading international manufacturers and bring them to local furniture makers, joinery workshops and fit-out contractors, with showroom support and technical advice.

From our two showrooms in Doha, Target supplies a comprehensive range of wood-based products for furniture manufacturing, interior fit-out and architectural applications: raw panels, melamine faced boards, PVC/PET faced panels, compact laminate, HPL, laminate flooring, edgebands, curved and flexible panels and premium decorative surfaces.

TARGET

BRANDS WE SUPPLY IN THIS COLLECTION

KASTAMONU

Founded in Istanbul in 1969, Kastamonu Entegre manufactures wood-based panels in Turkey, Romania, Bulgaria, Bosnia-Herzegovina, Russia and Italy. Its particleboard, MDF and PVC/PET faced panels feature in this collection.

GLORY

Melamine faced MDF, 3D and high gloss decors selected for this collection. Further ranges in this catalogue are sourced by Target from manufacturers in China and Thailand.

DIGITAL POLYLAC

High gloss decorative panels with epoxy river designs: a statement surface for kitchen islands and feature walls.
